

BUICK IN COURT ON CHARGE OF MURDER

Plea Day Is Busy One For Judge Heen and Offenses Are Many and Varied

David Buick, the young hawke who is alleged to have fired the shot into W. Ito, a Japanese chauffeur at Red Hill last fall, from which he died on Thursday, stood before Circuit Judge Heen yesterday morning and asked to have until next Saturday to make his plea to the charge of first degree murder. This was granted by the judge who immediately set bail at \$10,000. Buick was not able to furnish this amount yesterday and was turned to the custody of the high sheriff.

Frank Panewa, the chauffeur, who is charged with having run down and killed a Japanese girl on King street near Alapai last Sunday, was also before the judge where he was charged with the woman's death.

City Attorney Brown asked that the case be set for trial on Monday as the chief witness for the prosecution was called in the engineers and might leave for the mainland about the middle of the week. W. T. Rawlin, representing Panewa, strenuously objected, saying it was not fair to the defendant, and cited the week's time given to Buick.

The city attorney said that the situation was entirely different. Judge Heen, however, insisted that the plea be entered on Monday. Bail was set at \$5000, a bond for this sum being given immediately by Mr. Rawlin.

Dr. H. C. Clemmons, the dentist charged with employing unlicensed dentists, and who was found guilty by a jury last week, was fined \$100 and costs. Five other indictments against him will be turned over to Judge Ashford's court for hearing.

Matsumoto and Kahalewai, charged with malicious conversion of property belonging to some one else, will plead on Tuesday. Matsumoto was represented by S. F. Chillingworth, but the Hawaiian was unrepresented by counsel. He was advised by Judge Heen to secure a lawyer. Bail for each on was set at \$1000.

The Hawaiian drummer of the Hawaiian band, who had handled the drum for the past forty years, and who was found guilty of a statutory offense, was fined \$50, a strong plea for leniency being entered by Lorin Andrews, his attorney. It was the first time he had ever been arrested for an offense and his reputation had been good.

The band is now without a drummer and even if he goes to prison to work out his fine, strong appeals have been made by the band leader and others to permit him to handle the drum whenever the band plays.

INAUGURATION DAY TENTATIVELY SET

Wishes of Secretary of Interior May Change Plans—Commission Has Arrived

In the event that present plans are not changed, Governor designate McGehee will be inaugurated on June 22. The long delayed commission for the new Governor arrived in the mail Friday and, after a conference with Governor Pinkham, it was decided to hold the inaugural services on the main steps of the Capitol building on the morning of June 22 in the event that the arrival of Secretary Lane does not change these preparations.

Chief Justice James L. Cooke will administer the oath of office and Governor Pinkham will deliver a brief but vital address bearing on the present needs of the Territory during war times.

Governor McGehee is desiring the inauguration until June 22 in order that Governor Pinkham could remain in office during the visit of Secretary Lane and his party, who is scheduled to leave the mainland for Hawaii to day. The Governor-to-be feels also that owing to the personal friendship that exists between Secretary Lane and Governor Pinkham, the inauguration should be the last act of the secretary, rather than the first one he should perform after his arrival.

Lynnan H. Bigelow, who is to be the new superintendent of public works will take office July 1 and Delbert E. Metzger, territorial treasurer, will take up his new duties immediately after Governor McGehee is inaugurated.

CONCURRENT SENTENCE CLEARS FOUR RECORDS

Al Row, a Chinese who is serving a sentence of one year's imprisonment in the territorial jail for selling liquor to soldiers, pleaded guilty to the same offense in the federal court yesterday, and was sentenced to sixty days imprisonment. However, the sentence will run concurrently with the sentence imposed by the Territory.

When arrested last October, Al Row was charged in both the federal and in the police courts. The disposition of the case in the federal court yesterday was done to "clear the records" rather than to impose additional punishment to that which he was sentenced in the police court.

TO RECOMMEND TEMPORARY PASSES

Marshal Sees Special Need of Meeting Different Conditions Found in Honolulu

United States Marshal J. J. Smiddy intends to recommend to the department of justice that some form of temporary passes be authorized for boarding steamers in Honolulu, also a pass form, which can be issued to the members of the various consular staffs.

It is because Honolulu is not the terminal point for many of the steamers sailing here, from which certain classes of passengers are often forbidden to land, that the marshal thinks there should be provision for the issuance of temporary passes for entering the restricted waterfront zone. The issuing of temporary passes is not provided in the federal regulations regarding the maintenance of a guard of all American waterfronts.

The need of consular passes is felt here, perhaps more than in any other American port. The consuls or their representatives are constantly required to go aboard steamers to visit or advise subjects of the countries which they represent. Especially is this so of the necessity of the Chinese consul boarding through Oriental steamers, from which, on account of the immigration laws, the Chinese aboard are often prohibited from landing, says the marshal.

In a communication received from the department of justice Friday, the marshal is instructed to make a report of how the federal waterfront regulations are being enforced in the Islands and, if there are any violations, to report the lack of proper enforcement at once.

The marshal says he will report that the Territory and private owners of wharves in the Territory are supplying and maintaining the necessary guard.

Information was contained in the same communication which tells how the alien enemy regulations apply to common of enemy citizenship. Regulation 4, which prohibits alien enemies from approaching within half a mile of government reservations, does not apply to the women enemies, says the communication. However, the women enemies are prohibited from entering the restricted zones around all waterfronts.

RIEND OF HAWAII DIES IN MAINLAND HOSPITAL

His many friends in Honolulu will regret to hear of the death in Buffalo, New York, of the very good friend of Hawaii in the person of Edward (Lewellyn) Parker, one of Buffalo's most distinguished and public spirited citizens.

Mr. Parker died at the Buffalo General Hospital on Sunday, May 5. He visited Hawaii on several occasions and always took a great interest in things Hawaiian. About fifteen years ago, on account of ill health, he retired from the practice of his profession and from then on spent considerable of his time every year visiting different countries.

Mr. Parker was an ardent collector of rare ceramics, being the possessor of a priceless Chinese vase, the only one of its kind in existence, while his collection of snail shells is said to be unequalled in this country.

Guard Mobilization Calls Men of Advertiser's Force

From various departments of the Advertiser five men yesterday entered the service of the country with the calling into military service of the National Guard. These were Arthur L. Silverman of the editorial staff, A. Peterson of the business office, Cirilo Salonga of the art department and Henry Panulion and Clarence Olds of the circulation department. It was Silverman's wedding day and it was only two hours after the marriage ceremony had been performed that he learned of the orders for mobilization of the guard.

Others of the Advertiser staff had already heeded the call of the country among them being Lieut. Andrew Farrell, formerly sporting editor and now in the First Infantry, U. S. A.; William F. Kitchin, now with the aviation corps, formerly reporter; Captain Westcott, now with Second Infantry, U. S. A.; formerly of the business office and Captain A. B. Richardson, now with the regular army but formerly a reporter for The Advertiser.

DELINQUENT ROUND-UP WILL BE STAGED SOON

A round-up of draft deserters will be inaugurated by the selective draft office, as soon as the two national guard regiments have completed their mobilization, acting under instructions from Provost Marshal General Crowder, who is commencing a nation-wide campaign to bring deserters to justice.

The campaign here will bring into the net deserters from the mainland, if there be any. Every man of draft age will be required to show a card of registration. If he does not he will be branded as a deserter.

RAILROAD EARNINGS

WASHINGTON, June 2.—(Associated Press)—Railway earnings for the month of April more closely approached the normal earnings of the period before government control than in any month since the roads were taken over. They were \$80,000,000 and only about \$5,000,000 under the earnings for the same month of last year.

AUTOMOBILE KILLS LITTLE GIRL CHILD

Three-Year-Old Mary Silva Is Second Victim To Die Since Last Sunday

Making the second fatal automobile accident, in addition to several which have threatened the life of pedestrians since last Sunday, C. V. Phillips, an employee of the Hawaiian Electric Company, ran over and killed Mary Silva, a three-year-old Portuguese child near the corner of Magellan and Pioneer Streets, in the Punchbowl district, shortly after seven o'clock last night.

The little girl was the daughter of Mr. and Mrs. Miguel Silva, who live near where the accident happened.

While the accident resulted fatally last night, it had extending circumstances which the police say were lacking when K. Saguwa, the young Japanese woman was killed at the corner of Alapai and King Streets on last Sunday evening, by a machine alleged to have been driven by Frank Panewa, who is accused of having fled after the collision without rendering aid, and who is also accused of being partly under the influence of liquor at the time.

Phillips' companion in the machine at the time of the accident yesterday evening, A. S. Dunn, another employee of the Hawaiian Electric Company, picked the little girl up after she was hit by the automobile and she was taken immediately to the emergency hospital. However, the child was dead when the hospital was reached. An examination of the body indicated that she had received a fracture of the skull, where she was struck by the front wheel of the machine.

Driver Is Booked
Deputy Sheriff Julius Asch booked Phillips on a charge of manslaughter soon after it was ascertained that the child was dead. The defendant then communicated with Judge Antonio Perry, whom he retained as counsel and to help him secure bail.

According to the account of the accident given by Phillips, through his attorney, he was going along Magellan Street at a moderate speed, when the child stepped off the sidewalk and directly in front of the machine. He said she was struck almost before any effort could be made to change the course of the car or bring it to a stop.

Dunn, Phillips' companion, told nearly the same story when he was questioned. He added the information that the automobile, No. 5008 A, was not owned by either himself or the driver and that they both roomed at the Majestic Hotel. Phillips is in charge of the motor room for the Hawaiian Electric Company and has lived in Honolulu for the past two years.

Lousy Brakes Blamed
Besides the two young men in the automobile when the child was killed, there seems to have been no other eye witnesses of it except a small boy who was playing nearby. Even though the police do not deny the version of the accident given by those involved, they do hold faulty brakes to be partly the cause, as well as the fact that the child entered the street unattended.

Bob Lillis, automobile license inspector, tested the brakes after the car was brought to the police station, and Deputy Sheriff Asch said they were found to be nearly useless. The deputy sheriff asserted that he intended to get an expert mechanic from one of the garages to examine the brakes of the car this morning, so his testimony may be used by the prosecution when Phillips is brought to trial.

A grand jury returned an indictment yesterday against Panewa, held responsible for the killing of the young woman last Sunday, charging him with manslaughter in the first degree, and another charging him with failing to render aid to a person injured by an automobile.

Phillips was released from custody last night after he furnished bail of \$2500.

HAWAIIAN RODEO TO BE FEATURE AT FAIR

Angus McPhee Coming From Maui To Confer With Eben P. Low

Angus McPhee is expected to come over from Maui this week to assist Eben Low in preparations for the big Hawaiian Rodeo, of cow roping and broncho busting, which is to be held as part of the Territorial Fair programs Monday and Tuesday afternoon, June 10 and 11.

It is possible that Maikai Kellilike, present Island champion cow buster, who is working on the Valley Island at present, will accompany McPhee.

Low and McPhee will put in much of their time scouting for the most unruly bronchos available, for the broncho-busting tests, and for some lean, hard footed steers, to be used in the roping tests. As there are gathered here probably will be stabled at or near Kapiolani Park.

Outlaws from Schofield
The Fourth Cavalry has several "outlaw" horses and an effort likely will be made to obtain proper permission to use them in the Rodeo tournament.

Ikua Parls, former world's champion, is expected to come over from Kauai the latter part of the week, and Archie Kanaa, an oldtime cow buster who won third place at Cheyenne in 1908, is to come from Waimae, Hawaii. In addition to these a number of other cowboys and riders probably will be in from the outside islands, while several of the Cavalry boys probably will wish to participate in the event.

As soon as McPhee reaches town plans will be made in detail and announced, for the proper lining of entries, sides of competition, and the like.

No games today.

East and West broke even in the honors yesterday on the opening of the new National League series in the East, for the Giants and Phillies made good for the Atlantic, while the Cardinals and Cubs held the enemy down for the interior country.

Jawn McGraw's Giants opened the series at Pittsburgh by shutting out the Pirates in a closely played game; score—New York 2, Pittsburgh 0.

Playing at home, Pat Moran, the Phillies won out easily over the Chicago Cardinals; score—Philadelphia 5, Cincinnati 2.

Over in Brooklyn the Wilbur Robinson Dodgers were badly trounced by the invading Jack Hendricks' Cardinals; score—St. Louis 9, Brooklyn 2.

In Boston the Fred Mitchell Cubs won a very close victory from the George Stallings Braves; score—Chicago 4, Boston 3.

While in the American League four Western cities will have baseball to day, it will be different in the East for the Nationals, for the East allows no Sunday games, with the exception of Washington, the American League, and this was brought about by a radical change which only went into effect on May 19, when Washington had its first Sunday diamond battle.

Brooklyn yesterday dropped back into the cellar, after an absence of several weeks from the pit. The Dodgers in getting into the dark and dismal cavern left the door open and allowed the St. Louis Cardinals to escape, the latter going up into seventh place in the league.

Yankees and Senators Beat White Sox and Injuns—Tigers and Browns Winners

AMERICAN LEAGUE STANDING

Yesterday's Results
At Chicago—New York 6, Chicago 3.
At Detroit—Detroit 4, Boston 3.
At Cleveland—Washington 11, Cleveland 6.

At St. Louis—St. Louis 8, Philadelphia 5.

Griffith's Senators made quite an impression on the Lee Fohl Injuns on the opening of the new series yesterday at Cleveland, winning their game rather easily, although the battle was a somewhat ragged one; score—Washington 11, Cleveland 6.

Miller Huggins' Yankees were also to go to the top today. As there are gathered the Clarence Rowland champion White Sox into camp in a fairly well played game; score—New York 6, Chicago 3.

Hughie Jennings' Tigers refused to allow the visiting Ed. G. Barrow Red Sox to invade the West and get away with it, for the Detroit fans were treated to a close victory won by the home boys; score—Detroit 4, Boston 3.

Browns Beat Athletics
Over in St. Louis the Fielder Jones Browns were also on the job and they trimmed the Connie Mack Athletics in a somewhat loosely played game in the opening battle of the new series; score—St. Louis 8, Philadelphia 5.

Thus, it will be noticed, East and West broke even in the day's winnings, New York and Washington carrying away the honors for the East, and Detroit and St. Louis for the West. St. Louis went yesterday from fifth into fourth place, dropping Cleveland down into fifth, while Detroit got out of the cellar and went into seventh place, sending Philadelphia back into the pit.

SILK TELLS WHAT MAKES GOOD UMP

Silk O'Loughlin gives the following opinion of the successful umpire: "First of all, a fellow has to be honest; he has to have the courage of his convictions, then an intimate knowledge of the game, and a genuine love for it. He must have common sense in abundance. Last, but certainly not least, a man who aspires to make a good umpire must be a believer in the theory, 'Treat others as you would have them treat you.'"

Today's Games
Oakland at Salt Lake.
Vernon at San Francisco.
Sacramento at Los Angeles.

Graham's Seals slipped yesterday, doing it right at home, and the Bill Eskick Tigers trounced them in the only somewhat ragged game of the day in the Pacific Coast League; score—Vernon 8, San Francisco 5.

The tables were also turned down in Los Angeles, where the Wado Killifer Angels whitewashed the Bill Rodgers' Senators in the closest game of the day; score—Los Angeles 2, Sacramento 0.

In Salt Lake Walter McCredie's Bees made good again yesterday and won rather easily from the visiting Del Howard Aces; score—Salt Lake 5, Oakland 2.

There was no change in the standing order of the six clubs yesterday, although the Angels are again mighty close to the Senators, the latter, however, managing to hold on to second place.

Double-headers are scheduled for today in Salt Lake, San Francisco and Los Angeles, the day closing the ninth week of the season. The tenth week opens on Tuesday, tomorrow being traveling day, as follows: San Francisco at Salt Lake, Los Angeles at Oakland, and Sacramento at Vernon.
